

Task 1:

Look at SEP and English science and social studies standards. Teachers will review standards and ensure that all necessary standards are covered throughout the year in the units.

Task 2:

Look at SEP and English literacy and math standards and ensure proper integration.

Task 3:

Review central ideas and lines of inquiry, making improvements where needed. (2 sessions)

Task 4:

IB attributes balance. Ensure all KC, LP, and ATL's are covered and balanced.

Task 5:

Vertical alignment. Work with theme descriptors to ensure all themes are properly covered. Look at units vertically to ensure balance and alignment.

Task 6:

Order of units. Discuss and decide the order of units based on topics, concepts, and standards.

Tasks 7:

Brainstorm assessments and activities for units as a grade level team.
Sort through IRA books and match read alouds to units.
